Community Free Ski Weekends Sponsorship

Dear Community Partner,

Thank you for your continued support of the Franklin Outing Club. During the 2025 season, we were able to open the ski area for 24 days and had over 1,700 people on the hill! Being able to be open so much was all thanks to the snowmaking that we added to the hill, allowing us to be open more frequently and consistently throughout the season. Having so many people on the hill is all thanks to the free skiing on the weekends provided by our local business sponsors!

In years past, we have had businesses sponsor an entire weekend or day. Given that we are open more frequently now, we would like to change things up for the 2026 season. New for the 2026 season we would like to have Community Free Ski Weekend Sponsors which will be featured all season long instead of just for a day or weekend. We have a goal of raising \$20,000 to achieve covering the costs of free skiing on the weekends.

Please consider supporting us as we continue to provide affordable skiing and snowboarding to all our area residents. The different sponsorship levels are included on the next page. Each sponsorship level comes with different benefits, but all will provide advertising on our social media and website, as well as signage on our lodge all season long thanking your business or organization. Please let us know as soon as possible if you would like to sponsor the weekends throughout the season. Payment is due as soon as possible.

If you have any questions, please contact Robyn Morrill at 603-731-6238 or franklinoutingclub@gmail.com.

Thank You for your continuing support of the Franklin Outing Club.

Thank you,

Free Ski Season Committee
